We are in receipt of your Request For Additional Information (RAI), dated June 7, 2014, regarding the 2014 April Quarterly Report of American Future Fund.

In paraphrasing 11 C.F.R. 109.10(e)(1)(vi), you indicate that "Each contributor who made a donation in excess of \$200 to further the independent expenditures must be itemized on Schedule 5-A, including their identification information." No contributions or donations accepted by American Future Fund were solicited or received for the purpose of furthering the reported independent expenditures. Accordingly, no contributions or donations were required to be reported under the regulations cited in the RAI.

With respect to 11 C.F.R. 114.10(f), that provision applies to "qualified nonprofit corporations." American Future Fund is not a "qualified nonprofit corporation." The cited provision is, therefore, not applicable to American Future Fund.

If the organization receives any contributions that are required to be reported pursuant to 11 C.F.R. 109.10(e)(1)(vi), those contributions will be reported as required.
